

TRI 2012
International Conference on Tinnitus

Tinnitus: the art and science of innovation

June 13-16, 2012

Bruges, Belgium

Second Announcement

Registration is open now!

<http://www.tri2012.org>

The 6th Tinnitus Research Initiative (TRI) conference will be organized from June 13th to 16th, 2012 in Bruges, Belgium by the multidisciplinary TRI Tinnitus Unit Antwerp, Belgium, part of Brain Research center Antwerp for Innovative and Interdisciplinary Neuromodulation (BRAI2N), Antwerp University Hospital & Antwerp University and the Tinnitus Research Initiative. TRI 2012 is the premier venue for scientists and clinicians from around the world to discuss cutting-edge research on tinnitus.

Oral Presentations will cover unpublished preliminary or finalized data, novel ideas and techniques and are 15 minutes in length.

Poster session will also cover unpublished preliminary or finalized data, novel ideas and techniques, with the added value that viewers can study and restudy your information and discuss it with you one on one.

Abstract submission at

<http://www.tri2012.org>

Deadline for all submissions and proposals: April 1st, 2012

Exhibits related to the theory, practice and education of tinnitus and related techniques are invited. Please request our exhibitor package for details.

More details can be found at the conference website (<http://www.tri2012.org/>). Contributors are encouraged to contact the conference coordinator for further information.
