

EIGHTEENTH ANNUAL CONFERENCE
ON

**MANAGEMENT OF THE
TINNITUS PATIENT**

September 16-18, 2010

FOR PATIENTS AND PROFESSIONALS

SPONSORED BY:

**Department of Otolaryngology — Head and Neck Surgery
Department of Communication Sciences and Disorders, The University of Iowa**

Intended Audience & Purpose: This conference is intended for otologists, audiologists, psychologists, and nurses who provide clinical management services for patients with tinnitus. *The conference will also provide information to patients who have tinnitus, their family and friends, but it will NOT include individual diagnosis and treatment.* The purpose of this conference is to provide a review of current evaluation and management strategies for the treatment of tinnitus. Upon completion of the program, the participant will be able to discuss the management of tinnitus and the tinnitus patient.

Guest of Honor:	
Gerhard Andersson, PhD (Sweden) <i>Are there differences in the psychology between people with and without tinnitus Treatments that work for people with tinnitus</i>
